Online Tools

IdM Portal

Manage your personal data

www.idm.fau.de

- An IdM login is required for nearly all personalized online services at FAU.
- Activate your **IdM Portal account** with the activation password mailed to you (a digital version can also be found in Campo in the “Student Services” section).
- Upload a photo to create your student ID card (FAUcard); **it will be sent to your semester address (in Germany)** if you have one and enter it in the IdM portal. You can also pick it up at the FAUcard Office.
- Activate „Access CS tower“ in the IdM portal to use your FAUcard as a 24/7 key card to the computer science building!
- Problems with FAUcard: card@fau.de
- Problems with IdM account: service counter of our Computer Center/‘Service-Theke’ RRZE: rrze-zentrale@fau.de (**Martensstraße 1, 1st floor**)

FAU email address:

- An FAU email address has been generated for you.
- It is used as default recipient for emails from the university.

Relay you FAU email to your private email account: IdM Portal → Self Service → Email → Click on the  button → Field “forwarding to a different email address”

- All important information regarding your studies will be sent to your FAU email address. Make sure you receive and read it!

Manage your studies, courses and exams

Look up the courses from your module catalog

- Find out about their contents & lecturers.
- Find out about time and place (Pay attention to WS/SS!).

Select courses and compile your course schedule

- Instructions today and on the Medical Engineering website

Exams

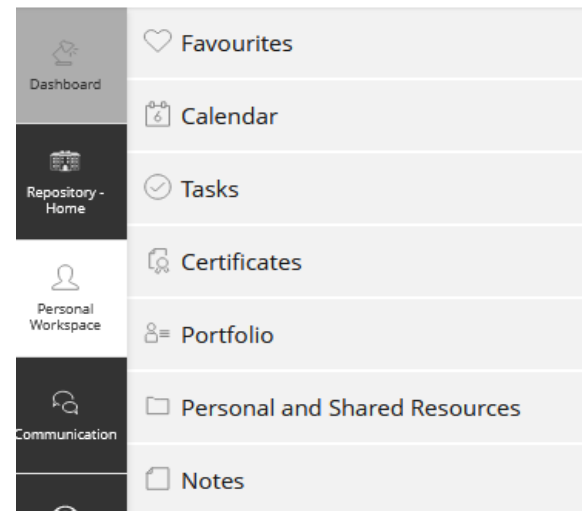

- Exam registration (in November/December)
- Overview of registered exams
- Withdrawal from exams until the end of the 3rd working day (Mon-Fri, except for public holidays) before the exam date
- Overview of grades and acquired ECTS credits

Certificates, administration

- Enrollment certificate, info for re-registration for SS 24 (first week of February)

<https://www.studon.fau.de>

- Often used for courses that require registration (seminars, practical courses)
- Generally used for sharing course materials, communication between lecturers and students

www.univis.fau.de

Only two sections are still active and useful:

- Room search (with GPS data)
- People search: find every employee at FAU with their address, room number, email and phone number

The image displays two screenshots of the UnivIS web application interface. Both screenshots feature the UnivIS logo and the text 'Information system of Friedrich-Alexander-University Erlangen-Nuremberg'. Below this, there are two navigation links: 'Collection/class schedule' and 'module collection'. The top screenshot shows a search bar with the text 'search: People' and a search button. The bottom screenshot shows a search bar with the text 'search: Rooms' and a search button.

Thank you for your attention!
