Confirmation: Possibility of Late Arrival (Summer Semester 2024)

To whom it may concern,

This is to confirm that students who have been admitted to our master's program in Medical Engineering for summer semester 24 and cannot travel to Erlangen until the start of the lecture period (April 15 2024) are offered the possibility of **late arrival until May 15 2024** at the very latest. Arrival after this date is not possible, as it impedes students' academic success.

Enrollment is carried out via post and does not require students' presence.

Enrollment period for summer semester 2024: **February 19 - March 31 2024**

Start of summer semester 2024: **April 1 2024**

Start of lecture period 2024: **April 15 2024**

Regular duration of the Master's program in Medical Engineering: **4 semesters**

Expected graduation date for students starting in summer semester 2024: **March 31 2026**

Kind regards,

Claudia Barnickel
