Erlangen, den 21.05.2025

Confirmation: Possibility of Late Arrival (Winter Semester 25/26)

To whom it may concern,

This is to confirm that students who have been admitted to our master's program in Medical Engineering for winter semester 25/26 and cannot travel to Erlangen until the start of the lecture period (October 13, 2025) are offered the possibility of **late arrival until November 13 2025** at the very latest. Arrival after this date is not possible, as it impedes students' academic success.

Enrollment is carried out via post and does not require students' presence.

Enrollment period for winter semester 25/26: **June 16 – September 30 2025**

Start of winter semester 25/26: **October 1 2025**

Start of the lecture period of winter semester 25/26: **October 13 2025**

Regular duration of the Master's program in Medical Engineering: **4 semesters**

Expected graduation date for students starting in summer semester 25: **September 30 2027**

Kind regards,

Claudia Barnickel M.A.
